

WEEKLY GARDEN MAINTENANCE CHECKLIST

- _____ Water the garden, daily, if needed. **(The best time to water and work in the garden is before 9:00 a.m. or after 6:00 p.m.)**

- _____ Deadhead any herb that is about to flower.

- _____ Weed anything in between the plants, put it in the composting area, if there is one, at the garden you are at.

- _____ Take home extra produce and flowers that are ready from any bed if you would like to. Terra Cura, Inc. and Healthy Plymouth will be collecting the ripe produce and delivering it to local food pantries and the Plymouth Public Schools. We will be collecting the tomatoes and basil for the Tomato Sauce Initiative too.

- _____ Report any bug infestation (see the bug chart at the garden) or vandalism to Terra Cura to:
jackie.millar@terracura.org

- _____ Please feel free to take candid photos of your group in the garden and we will post them on the Terra Cura and Healthy Plymouth Facebook and website pages. By sending the pictures you consent to the release of the photo for these uses.

Any questions please call or text me anytime!
